

1 against him and to present an indictment.

2 I suggest that this is a matter to be left
3 to the General Assembly as it has been since at least
4 the Constitution of 1867, and that no arguments have
5 been made to justify adding this to our present con-
6 stitution.

7 I urge you to vote for reconsideration and then
8 in favor of the amendment to strike this from the
9 constitution.
